BEAU SEJOUR
LEISURE CENTRE

Centre Information for Freedom & Choice Members

Booking:

- To help us reduce waiting times when queuing or dealing more promptly with your phone call please have your membership card/ card number ready.
- Booking is only allowed by the member.
- Lost membership cards can be replaced at a charge of £4 at reception.

Usage:

- In order for us to accurately monitor member's usage and gauge the popularity of classes, it is essential that members attending classes and other activities collect a ticket from reception prior to the commencement of their class.
- The ticket must then be presented to the instructor or placed in a specified collection box.
- Failure to collect and present your ticket can result in refused admission to the class.
- You may be charged a choice members rate if you do not collect your ticket.
- Please be punctual when attending a class. Anyone arriving late will only be able to attend the class at the instructors discretion.

Cancellation of booking:

- If you book an activity and then are unable to attend, you must let us know and we will cancel the session.
- Cancellations made within the hour prior to a class or session may be charged for at the Choice member's rate regardless of whether the class or session is re-let. We regret that no refunds can be made once payment has been received.
- Simply not turning up is not acceptable as there are waiting lists of other members who wish to attend a class and cannot because the booking system tells us the session is full.
- Members who do not cancel may be charged a Choice Member rate
